General Instructions:

(i) This paper comprises two types of questions: Short Answer Type and Multiple Choice Questions. The total marks for the paper are 35. Answer all questions to the best of your ability.

(ii) Short Answer Type Questions:

- These questions are numbered 3 to 5. Each question includes a specified word limit and mark allocation.
- Responses should be relevant. Allocate approximately 80% of your time to thinking and 20% to writing.
- Avoid copying from neighbouring candidates' screens, as such behaviour is easily detectable and subject to penalties.
- Irrelevant answers, off-topic responses, or duplication of information from the question paper will not receive marks.
- Ensure that your answers are well-supported with relevant content from the course and suitable examples where applicable.

(iii) Multiple Choice Questions:

- These questions are numbered 6 to 25 and carry one mark each.
- Carefully read each question and select the most accurate option. There is only one correct answer per question.

(iv) All characters, relationships, and events in the case or questions are fictitious. Any resemblance to real-life persons or events is purely coincidental.
