General Instructions:

(i) There are two sections in the question paper. All questions are compulsory.

(ii) Question numbers 3 to 5 are long-answer type questions each carrying 5 marks. The word limit and marks for each question are mentioned alongside it. The answers can be short and to the point. So, think for 80% of the time and the remaining 20% for typing.

Refrain from looking at the neighbouring candidate's screen and reproducing their answers. Such behaviour is easily detectable and may attract penalties. Please be mindful that irrelevant answers, responding with unrelated content or duplicating information already provided in the question paper will not earn you marks. Ensure that your responses are supported with relevant content from the course, incorporating theories and/or suitable examples to demonstrate their application in the given case study/ scenario.

(iii) Question numbers 6 to 25, are Multiple choice questions each carrying one mark. Read the instructions carefully and choose the closest and correct option; there is only one right answer for each question.
