PR Number:

Indian Institute of Technology Madras

EDUCATION			
PROGRAM	INSTITUTION	CGPA/%	YEAR
B. Tech in Electrical Engineering	Indian Institute of Technology Madras	x.xx	2021
Class XII, State Board of Telangana	Sri Chaitanya Junior College, Hyderabad	xx.xx	2017
Class X, State Board of Telangana	Master Minds High School, Pebbair	x.x	2015
SCHOLASTIC ACHIEVEMENTS			
- Finalist in Indian Statistical Institute's Bachelor of Mathematics Exam and Interview 2017. - Secured All India Rank xxxx in Joint Entrance Examination-Advanced 2017 among 1.72 lakh candidates. - Secured All India Rank xxxx in Joint Entrance Examination-Mains 2017 among 11.98 lakh candidates. - Secured state rank xxx in Telangana-EAMCET, 2017 out of 1.4 lakh candidates. - Secured state rank xxx in Andhra Pradesh-EAMCET, 2017 out of 1.2 lakh candidates.			
PROJECTS & PROFESSIONAL EXPERIENCES			
Nvidia - Bangalore <i>Hardware Intern</i> (April'20 - June'20)	- Understood the high-level design of how the requests are routed through memory sub systems. Developed a perl script to optimize the register generation flow in the memory sub systems. - Saved 5,668 registers, which effectively saved an area of 0.14 sq.mm.		
Computer Organization Course Project	- Implemented RISC-V-architecture based processor in Verilog using Xilinx ISE from scratch. - Processor features 5 stage pipeline and implements exception handling, forwarding, hazard detection and dynamic branch prediction.		
Detection and Amplification of Audio Signal Course Project	- Designed a circuit that selectively amplifies 1kHz and 3 kHz signal over a given spectrum. - Implemented a Band pass Filter and Peak detector for the extraction of amplitude of signals. - Simulated and Implemented a DC-DC converter based Led driver on bread board. - Implemented a Class-D Audio Amplifier for low power amplification of input signal.		
Digital Systems Lab Course Project	- Participated in a series of hands-on-labs to build and operate digital circuits. - Designed a circuit to convert a 4-bit binary number to its BCD representation and displayed the output using two seven segment displays.		
COURSES			
- Digital IC design* - Digital Systems and Lab - Computer Organization - Digital Signal processing	- Digital Communication systems* - Communication systems* - Power electronics* - Analog Systems and Lab	- Probability and Stochastic processes - Applied Linear algebra* - Introduction to Data Structures and Algorithms - Applied programming Lab(Python)	
Programming Languages: C, C++, Python, Perl, Verilog		Tools &Technologies: LT Spice, LabView(basics)	
POSITION OF RESPONSIBILITIES			
Core Team Member <i>Publicity Team Saarang'21</i> (May'18 - Present)	- Leading a team of 24 like-minded students to publicize Saarang across 10 cities in the country. - Strategizing the outreach campaign, online and on-ground outreach activities of Saarang, handling a budget of 4 lakhs. - Strategized and executed Saarang Ambassador program, monitoring 270+ ambassadors across India. - Solely responsible for finalizing a free of cost venue deal for Saarang's first Tirupati edition of Milan.		

Health and Hygiene Secretary <i>Saraswathi Hostel</i> (June'19 - Present)	• Represented and elected unanimously by 350+ students and to handle a budget of 3 lakhs. • Responsible for raising the standards of hygiene, promote healthy habits & enhancing bonding between the hostellers. • Ideated and organized food events like Ice cream night, barbeque night.
EXTRA-CURRICULAR ACHIEVEMENTS	
National Service Scheme (2017-18)	• Helped under-privileged students with their academics by teaching them through self-made PPTs. • Actively involved in collection drives organized inside IITM, attended social awareness programs. • Participated in multiple clean up drives organized inside the institute.
Mentoring	• Aided 100+ JEE aspirants in their academic queries on online platform Melvano, by solving 550+ questions and contributing in content required for JEE preparation as a tutor. • Solved 950+ problems with a rating of 4.7 on QandA, an online tutor platform.

Saarang : Institute annual cultural fest
